

The Texas Legislature established the August Sales Tax Holiday to provide individuals and families a tax free holiday while purchasing school supplies for their children. This year's tax free weekend is from Friday, August 8th until Sunday, August 10th.

Tax Free

As in the past, the law exempts most clothing, footwear, school supplies, and backpacks priced below \$100. The Sales Tax Holiday has allowed families with school-aged children to make the most of their dollars by saving them about \$8 on every \$100 spent. The following items listed below, provided by the Texas Comptroller of Public Accounts, will not be taxed.

A-B
