Political Views for our Nation

- Child care, equal pay, and paid leave are fundamental economic issues—not just “women’s issues.”
- Fighting for equal pay. We need comprehensive background checks when purchasing a gun.
- The wealthy should pay their fair share of taxes.
- For families making less than \$125,000 a year, we will eliminate tuition for in-state students at public colleges.
- Pass comprehensive immigration reform with a path to citizenship that keeps families together.
- Stand up to Republican-led attacks on this landmark (health care) law—and build on its success to bring the promise of affordable health care to more people and make a ‘public option’ possible.
